

Darkness under Windygale

Bill Tyros

1 Valley of Prosperity

A sheer cliff dips hundred of feet below you leading to a dry valley, an **imposing castle** and a **massive clock tower** loom over a **bustling town** surrounded by cacti farms as far as the eye can see, a **leaning tower** rises above the flat land surrounded by a few stone buildings and a sea of misshapen megaliths, a glowing darkness rises above a **deep dark hole** in the ground with fissures spiraling outwards all around it.

- ☛ **Imposing Castle.** Castle Greypoint.
- ☛ **Massive Clock Tower.** Temple of Jorike.
- ☛ **Bustling Town.** Windygale.
- ☛ **Deep Dark Hole.** Quaking Caves.

2 Castle Greypoint

A high castle overlooks the surrounding town, a large tower between four turrets rises above a **gatehouse** leading to an **inner courtyard** with a stable and paths leading to the **guard's quarters** and the **lord's apartments**.

- ☛ **Gatehouse.** 1 **knight** and 4 guards standing watch, won't let anyone inside the castle without a reason (bounty, letter of recommendation, etc.).
 - **Knight.** *High Knight Percival*. Bored, resents being assigned this post which is beneath his status.

- ☛ **Inner Courtyard.** Temple of Jorike.
- ☛ **Guard's Quarters.** Windygale.
- ☛ **Lord's Apartments.** Quaking Caves.
